

Gym-N-Learn and Ready-2-Learn Educational Preschool (Ages 2-5) Schedule & Tuition

We Bring Out the Champion in Your Child and Make Learning Fun!

August 16, 2010 – June 5, 2011

Welcome to Patti's All-American! We are pleased you have chosen us for your child. All-American has five departments: Tumblebear Gym, Champion School-Age Gymnastics, The Dance Connection, The Swim Connection, and Gym-N-Learn Educational Preschool, plus we have special events such as EZ Fun Birthday Parties, Holiday and Summer Fun Camps, Kids Night Out, and Preschool Lunch Bunch Parties. Our office hours are M-F 8:30am-8pm, and Saturday 9am-4pm.

To Register for fall classes: FULL TUITION, \$55 NON-REFUNDABLE SUPPLY FEE AND THE \$39.00 ANNUAL FAMILY REGISTRATION FEE (IF DUE) NEEDS TO BE MADE AT THE TIME OF REGISTRATION.

NEW Payment Policy this year: Gymnastics, Karate, and Dance are year-round activities with only two sessions - a School Session (August 16, 2010-June 4, 2011) and a Summer Session (June 13-August 6, 2011). At every fall registration, we require a new registration form be filled out. Once you register, you don't have to re-register until the summer. Instead of paying tuition for the entire year, we use a convenient 4-week Auto-Pay System. We apply your charges to your debit or credit card the first of every month. If you choose to un-enroll, please let us know as soon as possible to avoid your card getting charged. There is a \$10 refund processing fee for all refunds.

These fitness-based learning programs for children ages 2-5 combine education with gymnastics and fitness. Each Gym-N-Learn class consists of a combined 2½-hours of learning colors, numbers, reading concepts, computer lab, foreign language, and a 30-minute gymnastics class. These classes also help your child's social and emotional growth by forming positive relationships and building self-confidence by achieving better physical fitness while learning gymnastics.

Our Gym-N-Learn director is Amy Pataky. She has a B.A. in Elementary Education with a Kindergarten Endorsement. She taught in the school system for five years and has been a part of the Patti's All-American staff over ten years.

Our four member Gym-N-Learn staff has a combined total of 45 years experience teaching preschool and gymnastics. The staff is certified in First-Aid for Infants and Adults plus CPR Certified. Gymnastics certifications include Preschool Fundamentals, Hands On Training and Spotting, and USA Gymnastics Safety.
