

**To complete your on-line account using your personal customer portal, users are required to create a password . It's a quick and easy process.**

1. Go to Patti's All-American website and look for the Log-on screen.
2. Enter your email address and click on "I don't know my password".
3. Next enter the email address All-American has on file for you then hit "continue".  
(A message pops up that your password has been reset and emailed to you. It will confirm your email address)
4. Retrieve your password logging into your personal email account. Copy it.
5. Then hit "back" which take you to the customer log-in screen where you will enter your email address and paste the password that was emailed to you.
